Customer Reviews

UPDATE April 20: Tonight I prepared the Teriyaki Fried Chicken and the 15-Minute Coconut Cream Candy Bar Pie. We really enjoyed eating both recipes and they did not taste like diet food. I did omit the sugar-free ice cream topping for the pie as I didn't have that in my pantry and the pie tasted

wonderful. Author Marlene Koch creates tasty, healthy recipes that are edible. Very edible. I've used her cookbooks to prepare low--sugar, low-fat and calorie reduced meals for the past couple years as I am trying to eat healthier. I also wanted to lose a bit of weight and I've done that too thanks to Koch's cookbooks. What I love most about her newest cookbook: Eat What You Love Quick & Easy is how she's created "kitchen magic" to create tasty recipes I can't wait to try. In fact, I plan on making One-Bowl Mandarin Orange cake for dessert tonight as I have all the ingredients in my pantry. Also, her recipe looks very easy to make and it's almost dinner time. When I get done with this review I plan to go bake up the cake. Other recipes you'll find in her cookbook include: Blueberry Cheesecake Pie Cups Almond Tea Cakes Frosty Peaches and Cream Yogurt Pie 2-Minute Microwave Pumpkin Pie 15-Minute Coconut Cream Candy Bar Pie No-Churn Fruity Frozen Yogurt 2-Minute Chocolate "Cup" Cake for One (a mug cake recipe you prepare in the microwave oven) Apple-licious Green Smoothie Oatmeal Cookie Breakfast Smoothie Thick and Creamy Strawberry Shake 3-Ingredient Chocolate Caramel Biscuit Donuts Cinnamon Swirl Quick Cake Make-Ahead Bacon Cheddar Grab and Go Burritos Cinnamon Chai Oatmeal Pumpkin Pie French Toast Shortcut Spanish Potato Frittata Breakfast Cheesecake!
