Cooking With Cast Iron Skillets: Timeless And Delicious Family Recipes

Synopsis

Cooking with cast iron skillets | a timeless and delicious family tradition Everything tastes better when it is cooked in a cast iron skillet! We all remember when our mothers or grandmothers used to make those memorable meals using those big, heavy, black skillets. We can still imagine and almost taste those perfectly spiced dishes. Well, cast iron cookware is still around! They are so durable that they are almost always passed down from one generation to the other, as are the recipes they used. This cookbook holds not only amazing timeless recipes, but also instructions on how to cook with your cast iron skillet. You can use it on the stove top, on the grill, and of course, in the oven. You can even bring it along for your next camping trip and make some delicious corn bread, breakfast skillets, hamburgers, and so much more! Cast iron skillets are the most versatile pans in your kitchen. You can cook any food you can think of in it. And it will taste like nothing else, a real taste of home-cooked meal Inside this book, you'll find:

- Timeless use of cast iron cooking
- How to season a new cast iron skillet
- The health benefits of using cast iron cookware
- The maintenance of cast iron skillets
- The versatility of using cast iron skillets and cooking techniques

You'll also find unique recipes to cook with your cast iron skillets. They include:

- Mouth-watering breakfast recipes like the Farm House Breakfast
- Irresistible poultry dishes like the Turkey Pot Pie
- Delicious beef entrées like the Classic Cast Iron Beef Roast
- Easy and delectable pork recipes like the Grilled Pork Quesadillas
- Memorable seafood and fish like the Pecan Fried Catfish
- Unique vegetarian meals like the Pasta and Green Torte
- And yes, desserts to satisfy your sweet tooth with recipes like the Chocolate Chip Dutch Baby

Customer Reviews

This book has really shed a whole new light on cooking with cast iron. I have always preferred to cook on cast iron. I found the maintenance and cooking tips to be really beneficial. Great addition to my cookbook collection.

I love this cookbook! I've been cooking for many years and have rarely used my cast iron skillet for anything besides cornbread. I've heard over and over that using a cast iron skillet is a great way to cook, but I just never did it. I found this book and decided it was time to branch out from cornbread only. I made hash browns for dinner tonight using my cast iron skillet and the recipe from this book and for the first time ever, I didn't burn them. They came out perfectly. Incidentally, this recipe was far better than your typical browned potato recipe - it had herbs and garlic in it and it was divine! Pork chops and pepper jelly sauce is my next recipe to try - that will be Sunday supper. Can't wait to taste it. The recipes in this book are creative and comforting. There are plenty of good things in this book to cook that will keep your cast iron skillet busy for many meals to come.

I really enjoyed this book and am quite shocked at everything you can cook in your cast iron skillet! Great selection of recipes, thanks!

This is a well-written book, an inspiration book on cooking. It provides people interested in cast iron cooking, new and innovative ideas to prepare amazing home-cooked meals -- breakfast, entrees, and even desserts and also desserts, which are delicious when cooked in a cast iron skillet.

I have a lot of passion for cooking with my array of tools, gadgets and special pans, so it was a nice surprise to get this book all about cooking with cast iron. They do require special care and when you know how to use them, they can make familiar dishes really stand out in texture, flavor and nutritional value. This book is an excellent resource and a great guide to learn to bring out the very best of your skillets!

Cooking with cast iron has been around since the 5th century BC and is thought to have been invented in Ancient China. Seasoning your skillet is very important when it starts to look rusty or dull. Many great recipes beginning with breakfast and ending with desserts. Two of my favorites are Pecan Fried Catfish and Mushroom Pork Chops.

I love the presentation of the recipes, with the ingredients and the directions; very useful for someone new to cooking in cast iron skillet like myself. It gave me all the information I needed and I'm really glad that found it. The recipes in this book are very easy to follow so I found it very useful and enjoyable as well.

I do have a cast iron skillet that I use for everything from toasting my bread to baking in the oven. This book made me realize that I have not been taking care of it. There are great tips that you can use. The recipes are varied and easy to cook.
