The Nantucket Table

Synopsis

Long a favorite in hardcover, Susan Simon's summertime classic is now available in paperback. Nantucket is more than a small island with a lot of personality -- it's a sweet, slow lifestyle worth emulating no matter where you live. Simon's love of Nantucket -- with its sunshine, picket fences, and sandy lanes; its baked clams, lobsters, and heavenly chowders -- shines through on every page of *The Nantucket Table*. Her fresh and easy recipes -- perfect for casual outdoor feasts with friends and family -- are complemented by Tom Eckerle's you-are-there photographs of the laziest season on the Island. Though the book features the specialties of Nantucket, it does not demand unusual ingredients. This is simple food at its seasonal peak, accessible anywhere. Summer-time Codfish Cakes, Lentils and Spinach in Cumin-Onion Vinaigrette, and Peach Melba Crostata are just a trip to the grocery away.

Book Information

Paperback: 168 pages

Customer Reviews

The Nantucket Table is beautifully illustrated, crisply written, and full of tasty recipes. Try the salmon in parchment and grilled leg of lamb. Fabulous. This book is a real winner.

Everything I have tried in this book is delicious, even when the ingredients aren't 100% fresh from Nantucket. The are easy and simple to prepare as well.

All the recipes were so wonderful, of course I have not tried them all but have read over each one. At first they looked very complicated but they were not really. It is so much fun to try different things.

With every turn of a page, you can almost taste the essence of summer on Nantucket. Full of fabulous recipes that make the most of local produce and seafood, this book is a real treat for anyone who loves a classic New England dinner. My favorite recipe is the Nantucket Cod Cakes found on page 66. And visit my Nantucket blog: [Nantucketlilypad dot com](http://Nantucketlilypad.com) to see a humorous video of me making these on Nantucket.

The Nantucket Table is beautifully illustrated, crisply written, and full of tasty recipes. Try the salmon in parchment and grilled leg of lamb. Fabulous. This book is a real winner.

Great recipes!
