Russian Cuisine: Traditional And Contemporary Home Cooking

Synopsis

Discover the fascinating details of Russian history, culture and eating habits and enjoy the tasty delights of the vast country that spans through 11 time zones and brings together more than 180 ethnic groups. Detailing the evolution and development of traditional Russian cooking, this book gives a better understanding of the foods that are now known as classical Russian dishes. Through the words of native Muscovite, Maria Depenweiller, who was born and raised in Moscow before immigrating to Canada, *Savours and Flavours* covers not only Russian cooking methods such as the Russian oven samovar, but also the impact of Russian politics on its food. Discover how the Soviet Revolution impacted Russian eating habits. Or how the Russian tea drinking tradition got started. Learn about the home cooking of the Russian Empire and try schi and rasstegai. Delight your guests with marvelous assortment of zakuski or ant hill torte from the classical Soviet cuisine. Complete the experience with suggested reading from the literature Russian classics and music accompaniment to match the mood. From table settings, to backyard gardens and pantry items, this book teaches you everything you need to know about Russian food.

Customer Reviews

I actually have collected quite a few of the popular recently published Russian cookbooks listed on . This one really stands out and is a pleasure to read as well as for its great recipes. The background, explanations and personal stories are fantastic and the book is both very well done, and a labor of love. Depenweiller (a native Muscovite) has produced a book that is practical, packed with great info, and visually delightful, with great recipes that are clear and easy to follow. Not just touristy

dishes, but real practical home cooking with great information on pickling and so on. It's quickly become my personal favorite, and the first book I turn to when looking up a particular Russian recipe. It's surprising to me to see that buzz for this book hasn't taken off to the degree it has for similar recent publications, but hopefully that will change. This one is really a gem, and I'd really encourage people interested in Russian cooking to check it out--I can assure you, you will not be disappointed.

I love it. Absolutely recommended for anyone who loves food
