Barron's AP United States History, 3rd Edition

Synopsis

This extensive test prep manual covers the AP United States History curriculum, and will help prepare students for the most current exam with:

- Two full-length practice tests that feature all questions answered and explained
- Test-taking strategies for answering both the test's multiple choice, short answer, long essay, and document-based questions
- A detailed review of U.S. history, from pre-contact American Indian societies and the evolution of Colonial society, the American Revolution, the Civil War and Reconstruction, the growth of industrial America, World War I, the Great Depression, World War II, the Cold War, America in the age of Clinton, Bush, and Obama, and much more

The manual can be purchased alone or with an optional CD-ROM that presents two additional full-length practice tests with automatic scoring and fully explained answers.

BONUS ONLINE PRACTICE TEST: Students who purchase this book or package will also get FREE access to one additional full-length online AP U.S. History test with all questions answered and explained.

Customer Reviews

I am not an AP History teacher and so I am still attempting to navigate the format of this volume. I am sure the quality is there, but it is not really user friendly to those of us who are not familiar with the format of the AP US History test.

Closely follows AP curriculum, lots of great detail. Excellent practice questions! I recommend it to

my AP students.
