# Rugged Knits: 24 Practical Projects For Everyday Living

## Synopsis

24 Practical, Beautiful Designs to Wear Every Day!Knitters love stitching pieces that become mainstays: garments and accessories to wear year after year. They are steadfast companions in your daily adventures: walking the dog, working outdoors, or simply tucking in for a cozy night at home.Rugged Knits is a collection of 21 functional, lovely, and interesting knitting patterns for men and women. Side-by-side with hearty wool sweaters and sock patterns are more unexpectedly delicate-looking pieces, such as a warm, resilient shawl with lace trim and a cozy cowl with gentle drape. Those who love cables will rejoice in the gorgeously-shaped turtleneck and bright, eye-catching mitts. Fans of colorwork will enjoy both stranded knitting and intarsia pieces, while those who want to keep it simple will delight in textured, knit-and-purl designs.Andrea Rangel's compelling, classic pieces in Rugged Knits will remain perennial favorites; long after the knitting is done, the knitter will still be wearing each one.

## Customer Reviews

Rugged Knits is very well written, with beautiful photography, so a really enjoyable book to read. There's a nice variety of patterns and different yarn weights, and some really cool construction techniques that make for interesting projects as well as beautiful, useful garments.

What a fantastic collection! I love all the designs in this book – they're practical and lovely, and of course are each imbued with the thoughtful details that Rangel includes in all her work. The patterns are clear and easy to read, the techniques are explained well, and the layout and photos are just fantastic. Highly recommended!

I love everything in this book, seriously it is rare to find a knitting publication from which i want to make each design. What a bargain! Am a big fan of Andrea's work!

Very nice and useful knitting book.

Great new patterns in this book. I'm sure I'll be knitting quite a few of them. I especially like the cable mitts and some of the shawl patterns.
