## Customer Reviews

This is more than a cookbook - there are also activities for each holiday. It is a great reference for kids so they can make their own contributions with simple things to cook and make. Mom's can also refer to it for ideas and recipes. Our favorite for sure is the gingerbread sukkah pictured on the cover (which can also be done with sugar cookie dough).

This book is just what I was looking for with craft and food ideas in which the whole family, including Grandma, can participate!

this is Ok but could have had more input into the major holidays

I am pleased with this book
