The Everything Panini Press Cookbook (Everything Series)

Synopsis

Panini sandwiches are quick and scrumptious mainstays of delis, coffee shops, and Italian restaurants, and now you can create your own restaurant-inspired panini sandwiches with this cookbook! Here you'll find 300 recipes, from traditional Italian sandwiches to grilled appetizers, desserts, and breakfasts. You'll prepare mouthwatering recipes, including: Eggplant, Peppers, and Pesto Panini; Cilantro Lime Tilapia Panini; Peanut Butter and Chocolate Stuffed French Toast; Grilled Vegetable Wontons; Lamb, Baba Ganoush, and Feta Panini; Blueberry Angel Food Panini. Panini expert Anthony Tripodi offers useful tips and techniques for perfect results every time. From simple to gourmet, these recipes are sure to be the next best thing since sliced, stuffed, and grilled bread!

Customer Reviews

I have just purchased a Panini press machine. And I have enjoyed beginning to make these delicious sandwiches with this instrument. What else is needed? A decent Panini cookbook! Ant this volume works just fine for me. It is divided into a number of chapters. The first, not surprisingly, discusses the basics of Panini. Tips of the trade. Buying a Panini press. Type of bread. Et cetera. After that: Breakfast Panini; Pressed deli sandwiches; Burgers; Grilled cheese; Chicken and turkey Panini; Fish and seafood Panini; Salad Panini; Vegetarian Panini; Italian favorites; Not your everyday Panini; Dunk that Panini; Cocktail party Panini; Panini for kids; Leftover sandwiches; Pressed desserts; Panini wontons; Beyond sandwiches; Sauces, condiments, and spreads for Panini. Recipes? Here are some nice ones: Ham, egg and cheese Panini (very tasty, I might add!); Western cheddar

omelet Panini (I want to try this); Roast beef and provolone Panini; Cuban sandwich (I have had one of these at Panera's and enjoyed it and I want to try this recipe); Buffalo chicken burger; Mushroom gruyere Panini; Dijon swordfish Panini; Fried baloney and cheese on corn bread (odd sounding but tasty); Garlic shrimp; Lemon grilled asparagus. All in all, a nice introduction to Panini recipes. I look forward to trying additional recipes over time. . .

I have always enjoyed ordering a panini at a restaurant but was leary about trying one at home. I recently bought a press and ordered this book. It's great, I feel quite confident now serving paninis to my guests. The recipes are wonderful but the tips are what made me feel at ease to experiment. I recommend it!!!

Having purchased a Cuisinart Griddler (from Amazon of course), I now had to find various ways to use it -- the book has more than met my expectations even it has no pictures. (When reading reviews of this book, one person complained there were no pictures. Not necessary.) I would recommend this to any person who likes to cook and is not afraid to experiment and change things to those ingredients they have on hand.

Just wish I had bought the book before I got the Panini Press. I learned I could have used my George Forman Grill as well.

Just the book to have when you get your new press. The cookbook that usually comes with the press will only contain a few recipes. This book is just filled with great recipes to help you really enjoy your press. It will also stimulate your imagination to come up with your own great recipes.

This book has plenty of panini sandwich recipes. It is very comprehensive and gives you swell ideas on how to use your panini grill (mine is a Bella) in other ways as well. A good example is to make a quesadilla. Spreads and condiments are a swell addition too.

This book is amazing! There are so many recipes in this book that sound so good. I will be eating paninis every day!!

When I bought the Panini Press for the wife, the first thing she asked me was I can figure out some of the combinations of foods to put in it, but what other things can I make? Well, this book is very

complete, it tells the story simply and easily so that you can put together some tasty sandwiches when you want to make something easy for a change. Great book and one that will stay with our cookbook collection.
