# The Hunter's Cookbook: The Best Recipes To Savor The Experience

## Synopsis

Bestselling author and avid hunter Steve Chapman (A Look at Life from a Deer Stand, more than 280,000 copies sold) teams up with his wife, Annie, to offer delicious recipes for wild game, along with complementary side dishes and desserts. Sprinkled among the more than 190 recipes are hints for preparing wild game, cooking tips, hunting quotes from Steve's popular books, and wildlife line drawings. Readers will discover tasty and creative recipes for cooking all types of game, including: deer, elk, moose, bear, turkey, pheasant, grouse, alligator, fish. Whether experts or novices in the kitchen or at the barbecue, readers will find new and exciting adventures for their taste buds.

Product Dimensions: 6.2 x 0.8 x 9 inches

Shipping Weight: 1.4 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars [See all reviews](#) (11 customer reviews)

Best Sellers Rank: #449,680 in Books (See Top 100 in Books) #61 in [Books > Cookbooks, Food & Wine > Cooking by Ingredient > Meat & Game > Game](#)

## Customer Reviews

For many people wild game is a very rare experience, even in a restaurant, yet it need not be. More and more supermarkets or specialist food stores have game available for the ever-demanding customer. If you live in the country things get a lot easier - you just need to ask around or, perhaps, 'fetch' it yourself. Assuming you have your game then the challenge might be what to do with it. It can be a shame to shoehorn it into a conventional dish. A little bit of thought ahead of time and a little bit of work can yield dividends. Enter this book - a total cornucopia for game-lovers. From the get-go you can sense that thought has been placed in this book. Take the binding: spiral. No more having to bend the book open whilst consulting it in the kitchen. The book itself is practically ordered so you can directly focus on the information that you require for the animal you have possibly in front of you. Whilst it can be nice to browse, sometimes you just need the information NOW. The book is split into eight main parts: the first four are the key ingredients - big game (venison, elk, moose, caribou, antelope, bear, bison, wild boar & javelina); small game (raccoon, squirrel & rabbit);

fowl (turkey, quail, pheasant, duck & dove) and fish & other aquatics (red snapper, cobia, salmon, trout, catfish, walleye, bass, bluegill, frog, turtle & alligator). The remainder of the book then looks at "serve with" suggestions; desserts and gravies, marinades & sauces. There is even a brief primer on grilling for those who may welcome this. As you begin to dig into the book and start browsing by ingredient you are met by a plethora of different recipes, practical preparation and cooking instructions, background information, personal memories and much more besides.
