# Couture Sewing: Making Designer Trims

## Synopsis

You have spent weeks creating a couture, Chanel-inspired suit: selecting fabric, measuring, cutting, basting, sewing, finessing each element so that it would make the master herself proud. To finish it off, you need a masterfully matched, expertly attached designer trim. Once again, couture sewing expert Claire Shaeffer is here to teach you how. *Couture Sewing: Making Designer Trims* presents sewing methods Claire Shaeffer has developed based on her own meticulous research into couture sewing methods and techniques. This unique, multimedia approach, which includes detailed step-by-step instructions, photos, and how-to video, form an essential resource for sewists looking to elevate their garments to the next level by adding appropriate trims. This must-have resource gives an overview of the different types of trims that are used in a couture workroom and explains different methods for attaching the trims to a garment. As a bonus, you'll learn how to create trims from scratch. As with the other volumes in the *Couture Sewing* series, the printed book presents intriguing garment examples from Shaeffer's impressive personal collection, alongside information on the construction methods used to create them.

## Book Information

Paperback: 144 pages

Publisher: Taunton Press; Pap/DVD edition (September 20, 2016)

Language: English

ISBN-10: 1631866575

ISBN-13: 978-1631866579

Product Dimensions: 8 x 0.3 x 10 inches

Shipping Weight: 12.8 ounces (View shipping rates and policies)
