Customer Reviews

If you own BH&G's Halloween, Halloween Fun or (especially) Halloween Pumpkins & Parties, you've already seen everything this book has to offer. The material is mostly rehashed from Pumpkins & Parties. If you don't already own the above, this is a great savings on buying three books. The only new material I could find was a section at the back that had some cute invitation ideas, but that doesn't make this worth the price tag. Since the other books had some clever ideas, I was looking forward to this one. What a disappointment!

This book offers some excellent value and information. I recommend it very much. It is so much more fun to create things on your own instead of buying everything in a store.

Filled with great ideas! I love it!
