# Duck Commander Kitchen Presents Celebrating Family And Friends: Recipes For Every Month Of The Year

## Synopsis

From New York Times bestselling author, star of A&E's Duck Dynasty, and matriarch of the popular Robertson family, comes a savory new collection of recipes that gives you and your family plenty of reasons to sit down together and share a meal, love, and laughter. Miss Kay is a master of the back-country, home-cooked meal. She has been cooking ever since she was a little girl and has perfected her skills through years of practice on the Robertson clan. After sharing some of her family's favorite recipes in Miss Kay's Duck Commander Kitchen, Miss Kay has gone back to her cupboard and pulled out more of her down-home, mouthwatering recipes, this time grouping her recipes around reasons to get together—New Year's Eve spreads, special Mother's Day meals, Fourth of July picnics, Christmas dinners, church potlucks, and everything in-between. In addition to more than one hundred recipes, Miss Kay opens her heart to share hard-won wisdom and special memories, along with beautiful full-color photos and family pictures. And true to the Robertson faith, you'll find scriptures sprinkled throughout Miss Kay's newest collection of recipes. Take a peek into the off-camera life of America's favorite duck-loving family, the foods they love, and the wisdom and legacy that make a family strong.

## Book Information

Paperback: 272 pages

## Customer Reviews

I will admit, I'm a fan of the show and promised myself I wouldn't buy into the hype but I broke down and bought this book. I'm disappointed in it. I was hoping for mouth watering recipes of the south that I could recreate and instead got recycled recipes that I found on Pinterest. I was under the

impression that she always made from scratch and that's not the case as most of her recipes are " get a box of cake mix " etc. I was setting my standards high from watching the show and seeing her cook but I guess they don't show the behind the scenes for a reason .

This is another winner for Miss Kay and Chrys Howard! I love how easy the recipes are. Most ingredients needed you would have on hand or easy to pick up. I love this book just as the first one! I had initially ordered the paperback. When I got it I saw that the binding wasn't made the same as the first book in paperback. I ordered the hardcover and I am sending the paperback edition back! Thanks Miss Kay and Chrys! I would love to come and sit in your kitchen Miss Kay and chat with you over some coffee or tea and talk about life. You are an absolute inspiration to me! God Bless!~Shelly

I enjoy reading cookbooks although I am not cooking so very much anymore. This one was delightful and most interesting. I will probably try some of Miss Kay's recipes when I whip up enough energy to do so. They appear easy to follow. This book would make a very nice gift for any Duck Commander fan or follower. I recommend it highly.

I am such a sucker for party cookbooks, so when I saw this one at the grocery store I had to buy it. I flipped through and found her Gumbo recipe, which I decided to make for supper that night. OMG (and the G stands for Gumbo!!!). I haven't had so good'a Gumbo since my hubby and I took a road trip through Louisiana a couple years back. Wow! The real thing!!!! Marked that recipe a keeper and moved on to the Smothered Pork Chops for our next family supper. OMGumbo! those were amazing too!!! And soooo easy. (The only thing I did different was use super thin (1/4") chops, and leftover bacon grease instead of the veg oil (of course they only had to sizzle about half a minute on each side), and my new favorite seasoning is Salt Lick dry rub, so I used that instead of the Tony Chachere's). The onion gravy is out of this world. Fantastic over mashed potatoes (recipe for that is on the previous page of the chops recipe). When we had company last week, I trotted out Miss Kays Warm Ham & Cheese Party Rolls, which were a major hit, and finger-licking good. Then for hubby's birthday I tried Miss Kay's Chocolate Sheet Cake. I had to add a little bit more powdered sugar to the frosting to make it a little thicker, but again, best thing we put in our mouths!!!! I took some to all my neighbors and they all wanted the recipe. So, she has totally earned my trust now, and she's what's for dinner now, until I've made everything in the book. Love you Miss Kay. Thank you for sharing your recipes, your family, and your faith with us. You are precious. The only thing

better would be to get to come be a guest in your kitchen and share a Bible devotion, a Cheesy Jalapeno Cornbread Muffin with a bowl of your Pot of Black-Eyed Peas, and a sweet iced tea, and get to listen to you tell one of your sweet and entertaining stories. God bless!

This book is full of recipes for every month of the year starting with January. It has all the big days like Valentine's Day, Mother & Father's Day etc., but it also has recipes for other days like Wedding and Baby Showers, Picnics and Summer Fun, Grandparent's Day, Family Reunions and Potlucks. This is a book that I'll go to from time to time when I need a recipe for a special occasion, and I would definitely recommend it to others.

I had the opportunity to interview Miss Kay about this brand new cookbook and she was a delight. We at Bible News Radio were honored to discuss with Miss Kay about the value of family, not having cell phones at the dinner table and even asked her about what type of magnets she had on her fridge. In Celebrating Family & Friends Miss Kay shares many delicious recipes from Peach Cobbler (which she told me was her favorite) and things like Peach Iced Tea and also Fried Pickles. This book is gorgeous and makes a great gift for anyone who wants to learn to cook.

I don't really cook--that much. I like the hints Ms. Kay puts on almost every recipe. I need all the hints I can get, I have made the pork chops and gravy, and the Coca-Cola Cake so far....both turned out great.

I love Ms Kay's recipes. All of these were great for just everyday cooking as well as for holidays. I've made a lot of recipes from here and they are kid approved. I like how none of the recipes have expensive ingredients, it's great for the everyday family's.
