Pike Place Market Recipes: 130 Delicious Ways To Bring Home Seattle's Famous Market

Synopsis

The Pike Place Market sits in the center of downtown Seattle and at the center of the Seattle food scene. With its famous seafood and locally grown produce, it is seven acres of wonderful ingredients and inspiration for the home cook. Cookbook author Jess Thomson has prowled the Market's stalls, shops, restaurants, and purveyors to assemble 80 wonderful recipes that express all of the flavors of the Pike Place Market. Included here are Le Pichet's Salade Verte, Etta's Mini Dungeness Crab Cakes by Tom Douglas, and the Pink Door's Linguine alla Vongole. The author has also created recipes that are inspired by ingredients found at the market, such as Spanish Chickpea and Chorizo Stew (with Uli's Sausage) and a MarketSpice Tea Cake. The author is so well versed in the market that her cookbook can also serve as a guide to the specialty shops and off-the-beaten path purveyors and cafes. With gorgeous images by photographer Clare Barboza of prepared recipes, dazzling ingredients, and scenes of the Pike Place Market, this is the ultimate Seattle cookbook.

Customer Reviews

Have you been to The Pike Place Market? Then you'll love this cook book. It will take you back to vendors you visited and make you remember the vast array of ingredients available. Each recipe I've tried has been a triumph. If you haven't been there, then make a recipe, enjoy it's success and it will make you long to visit. The recipes do not call for exotic ingredients you cannot get in other areas of the country, by the way. This book was a treat...so glad I got it!

Ordered this from a segment I saw on the cooking channel and am so pleased. What a wonderful book and the recipes are relevant no matter where you live although some ingredients may not be readily available. A little imagination and ingenuity and you can make anything in this wonderful book!

This was a gift and it was probably the most well received gift I have given this person. Well written, some good pictures, great, easy to use recipes.

Bought this as a gift for some out of town friends, and they really loved it. They enjoyed seeing recipes from places they recognized from their trip to the market. It's a well done, attractive book.

After living in and leaving Seattle, this was a great book to remember a favorite place of mine when there and relive some of the great food/recipes from the region.

When I lived in Seattle, I LOVED the Pike's Place Market ! This book is a lovely reminder, and has some great recipes.

Great cook book

Two thumbs up.
