# Big Bad Breakfast: The Most Important Book Of The Day

## Synopsis

From the James Beard Award winner, Top Chef Masters contestant, and acclaimed author comes this fun, festive, and highly caffeinated ode to the joys and rituals of the Southern breakfast, with 75 recipes inspired by the author's popular restaurant in Oxford, Mississippi. John Currence is one of the most celebrated and well-loved chefs in the South. Among his string of highly successful restaurants in Oxford, Mississippi, Big Bad Breakfast holds a special place in diners' hearts: It is a gathering place where people from all walks come together to share the most important meal of the day, breakfast. Southerners know how to do breakfast right, and Currence has elevated it to an artform: dishes like Banana-Pecan Coffee Cake, Spicy Boudin and Poached Eggs, and Oyster Pot Pie are comforting, soulful, and packed with real Southern flavor. Big Bad Breakfast is full of delicious recipes that will make the day ahead that much better--not to mention stories of the wonderful characters who fill the restaurant every morning, and a meditation on why the Southern breakfast is one of America's most valuable culinary contributions.

## Book Information

## Customer Reviews

Breakfast. A meal I tackle at 10 AM, after being up for a while nursing a pot of coffee. But anytime, day or night, the foods of a proper cooked breakfast are my favorites. This is the second breakfast book added to my shelf. The other one is more "healthy", more California, and more whole-grainy. Excellent when you want that kind of thing. Big Bad Breakfast is for food that fills you up, warms the soul, and keeps you going for a full day's work. While I might crack the other book when I have

dainty house guests, this is the book when I feed myself and my cowboy friends. Reading notes: \* Excellent TOC. All recipes listed. \* Good range of recipes \* Lively text \* Awkward page layout with the recipe appearing in varying places. It might be ok in the final ebook, not the ARC I have. \* Lots and lots of excellent egg recipes \* "German pancake" is a Dutch Baby \* "Livermush" is scrapple with some non-German spices \* Shrimp, oyster, and crab recipes but no fish. Odd. Fish for breakfast is pretty common where I grew up fishing. \* Home made breakfast cereals like frosted flakes and bran-nuts \* Good photos Unless you are a cholesterol and fat fearing wimp, you will love this book. I received a review copy of "Big Bad Breakfast" by John Currence (Ten Speed) through NetGalley.com.

I received a copy of this cookbook from Netgalley in exchange for my honest review. This is the best breakfast cookbook I have ever seen. Loved the introduction, it reads like a really good book. Awesome recipes and the pictures are drool worthy! I highly recommend!
