# A Guide Book Of United States Paper Money, Fourth Edition

## Synopsis

Building on the scope of Robert Friedberg's groundbreaking research, *A Guide Book of United States Paper Money, Fourth Edition* includes an engaging history of the paper currency of the United States. Every federal note—from the ultra rare Demand Notes of 1861 to the lunch money in our wallets today—is described in detail. Fascinating narrative captures the romance and history of American paper money, and also explores recent developments in the hobby and market, including the new \$100 bill. The book combines the hobby standard Friedberg numbering system with values and hundreds of high-resolution, full-color photos. With full-color, updated content, the fourth edition is even stronger than the critically acclaimed first, second and third editions, which have already taken their place as popular hobby references.

## Book Information

Paperback: 416 pages

Publisher: Whitman Publishing, LLC; Fourth edition (June 3, 2014)

Language: English

ISBN-10: 0794842305

ISBN-13: 978-0794842307

Product Dimensions: 8.9 x 6 x 0.9 inches

Shipping Weight: 1.4 pounds

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (32 customer reviews)

Best Sellers Rank: #421,595 in Books (See Top 100 in Books) #21 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Paper Money](#) #289 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Antiques Care & Reference > Reference](#) #690 in [Books > Reference > Encyclopedias & Subject Guides > Antiques & Collectibles](#)

## Customer Reviews

An easy-to-use and informative guide to United States currency. Full of large, beautiful, full color photographs of every type of note! A must-have for any collector. I use it primarily as a checklist to keep track of my collection and a price guide for my notes. My only wish is for perhaps more emphasis on the small-size notes, which is the primary focus of my collection. All in all, an excellent and practical book. Well worth the money.

Appears to be an error on page 43 or 44. Both pages show different Friedberg numbers for "no motto". One number should be for bills with the motto and a different number for bills with no motto.

Please correct me if I'm in error.

Nice book worth the money , good explanations,nice colorful pictures , would like to see prices on all grades in each note

Excellent reference

One of the two best, but the prices are to high to make buys. But has a great deal of information.

RECOMMENDED!

good pictures and information new condition would buy from seller again

Just what my husband wanted.

Bought this for my son. He uses it all the time. Have read some reviews about a couple items may be inaccurate but yet to find any. Would definitely update with this book again in the future.
