Coin Folders Nickels: Plain (Official Whitman Coin Folder)

Synopsis

Thanks to the Statehood Quarter Program, coin collecting has never been more popular. And to take advantage of this new interest in the hobby, we're giving our complete line of Whitman Classic Coin Folders a beautiful new look.-- Multi-million dollar cover updates for the entire Whitman line!-- True-to-life foil colors reflect and beautifully represent the coins each folder holds -- e.g. Copper foil for Lincoln Cents, Silver foil for Jefferson Nickels.-- Traditional Whitman blue vinyl matches past Whitman products.

Series: Official Whitman Coin Folder

Hardcover

Publisher: Whitman Coin Products (September 1, 1988)

Language: English

ISBN-10: 0307090426

ISBN-13: 978-0307090423

Product Dimensions: 5.8 x 0.3 x 7.9 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars [See all reviews](#) (9 customer reviews)

Best Sellers Rank: #598,749 in Books (See Top 100 in Books) #67 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#) #46935 in [Books > Teens](#)

Customer Reviews

Like the review from "Big Mac" states, follow the instructions, which by the way, have been the exact same instructions coin collectors have been using for at least 50 years. It truly is so easy a child can do it; simply insert the coin at an angle and then push the other side down. I remember having these same folders when I was a kid in the late 60's and I'm happy to report they are just as fine a quality now as they were back then. I know this because I still happen to have two of them. Unfortunately they are now made in China when they used to be made in the U.S., but what isn't. So to sum it up, if you need a coin folder, Whitman has always done a real nice one.

Whitman Jefferson nickels collection is a good quality folder for the new and old collectors alike. two of its 3 pages has 22 slots and one has 21 slots holding a total of 65 coins and for either displaying the back or some other special coins you may have. There are no labels but a space to do you own labeling is provided. Read the directions and inserting the coins is no problem. this would make a

great "tooth fairy" album because it will hold what ever pennies you want to put in it. if you like to collect out of your pocket change, this is probably for you =)

i got the whole set of whitman coin plain folders after reading the quarters review, but what a disappointment. none of the folders are actually working. i can't push the coins in these supposedly revolutionary locking slots. no matter how hard i hammer (actual hammer!!), shove and push, the coins will not go in for any of the folders. (despite their easy claim that all you have to do is insert one end first and push down on the other end). you can't push the coins in even if you're Hercules. what a waste of money. should refund me -.-

Just like I remembered when I bought them new many years ago. One of the very few items that have kept their quality level.

I bought this coin folder to store some Jefferson "War" nickels in an organized, easily retrievable manner - it does so.
