ISBN-10: 0794840043

ISBN-13: 978-0794840044

Product Dimensions: 0.2 x 5.5 x 7.5 inches

Shipping Weight: 3.2 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (38 customer reviews)

Best Sellers Rank: #56,163 in Books (See Top 100 in Books) #28 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#)

Customer Reviews

It is always great being able to start a new Whitman book. I remember being a kid and trying to play "catch-up" with the Whitman books and filling them with all the years you needed. Now as an adult, it is nice to be able to pull coins from circulation each year as they come out. **INSIDE THE FOLDER:** First 5 slots: Shield Reverse slot, 2014, 2014-D, 2015, 2015-D..... followed by 85 blank slots. (30 slots per section of the tri-fold card stock folder) For the blank slots I usually buy small labels (you can find blank white labels in the office section of most stores) that are 1/2"x1/4" or so and place them under the blank slots. It looks nice and uniformed and if you make a mistake or find an error and need to re-label them, they can be peeled off easily. I guess that I am good on collecting pennies for the next 40+ years. Unless they change the penny do some variation.

The book is great, but I would wait to buy it since only the first few coin slots are marked. You never know what may happen with future pennies, so either wait to buy a book on a future date or be ready to do some research before writing in your own labels.

I like this folder because it is sturdy and looks nice. The pennies fit securely into their places. I would

recommend this folder to anyone you enjoys collecting pennies as a hobby or to spend time collecting and filling the folders with children or grandchildren. I am very satisfied with my purchase!

Only comes with 2014 holes marked.....not quit what I expected.

Starts at 2014. Not sure I read this right before I bought it. Careful.

This is another great product by this company. I really like these coin folders. These folders contain interesting information and hold the coins well.

Couldn't find this one in any bookstore for some reason, was happy to find it here. Exactly what I wanted from the Whitman brand, no complaints.

Serves the purpose of a holder for coins. I use this for extra pennies I want to keep. I use the Zyrus press books for storage.
