# The Essential New York Times Grilling Cookbook: More Than 100 Years Of Sizzling Food Writing And Recipes

## Synopsis

Over the past 100 years, the New York Times has published thousands of articles on barbecuing and grilling, along with mouthwatering recipes—and this unique collection gathers the very best. These essential pieces are worth savoring not only for their time-tested advice and instruction, but also for the quality of the storytelling: even non-cooks will find them a delight to read. Almost all of the newspaper's culinary family weighs in here, along with both renowned chefs and everyday tailgaters. The famous names include bestselling author Mark Bittman (How to Cook Everything), who contributes the foreword as well as several essays and recipes; pioneer food critic Craig Claiborne (French Thoughts on U.S. Barbecue), Pierre Franey (Loin Lamb Steaks with Rosemary), the beloved Florence Fabricant (Raspberry Chocolate Mousse Cakes), Jacques Pépin (Grilled Tabasco Chicken), Molly O'Neill (Splendor in the Lemongrass), Alfred Portale, Mimi Sheraton, Sam Sifton, and many more. With everything from barbecue basics to expert tips, from healthy vegetarian fare to heart-attack-inducing meaty indulgences, this fun, surprising, and enlightening book is a treat for everyone. So pick out a recipe, or three or four or ten, and fire away!

## Book Information

Hardcover: 400 pages

## Customer Reviews

Just received this cookbook, and many of the recipes look doable as well as delicious. Also the historical aspects are interesting. We already tried the Thai Beef, and it was fabulous! A great addition to your cookbook collection.

This book is great!! I grill all year long (yes, even when it's snowing) on my small apartment patio

and it's given me some new ideas and helpful tips. A permanent addition to my cookbook collection.

Love the book! I'm a really terrible cook and an even worse griller, but the recipes in this book (although some a little more complicated than others) are really delicious and easy to understand. Thanks to this book, when I have people over I can trick them into thinking I know how to cook. It's also just a really cool book. It has interesting articles and pictures and I'm very pleased. Also-the macaroni and cheese recipe is absolutely to die for.

Giving as gift but it looks great. Especially for someone who grills a lot

My son loves it---he's the griller in the family. He really enjoys the articles that are included with each recipe. Top marks!

Excellent history and recipes for grilling.

Creative and interesting recipes. Love it!

Love this book. Great recipes. Interesting anecdotes. So glad grilling season is here so I can use this book! Yeah!
